Villas at Elk Run

February 2022

Happy February!
We hope this newsletter finds you well!

As a reminder, please be sure to alert new and continuing residents to the following Villas parking policies:

Each condominium is allowed:

- One “common area” parking space.
- Each unit’s garage counts for the second parking space.

The placement of trailers, motorcycles, boats, ATVs, or any other type of motorized vehicle other than an automobile is prohibited.

Parking in front of a garage is prohibited.

Feel free to reach out to our property manager, Jason Anderson if you see any issues that need to be addressed.

Remember, there is no Poop Fairy! Please be sure to pick up your dog’s poop!

Sand/Salt is available at every building to address any slippery spots this winter. Please do not hesitate to use it!
