never doubt spring
will come.”*

Dear Villas at Elk Run resident,

Please read our monthly newsletter to stay tuned in to current events in our community.

Dryer Vent Cleaning

We will be cleaning the dryer vents during the spring and fall of 2018. We will remove lint build up from the roof vents and also from inside of your unit. Our property manager, Jason Anderson, will contact you to schedule dryer vent cleaning.

Proper Pet Behavior

Please remember:

1. It is your responsibility to clean up after your pet!
2. Keep your dog on a leash!
3. Register your pet with the homeowners Association! If you need a pet registration form, please contact our property manager at: 970-355-4059 or via email at jandersonmanagement@gmail.com

Trash Rules

Trash pick-up occurs on Monday mornings. **To avoid fines, please place your trash out only on Monday mornings.**

DO NOT PUT YOUR TRASH OUT THE DAY BEFORE PICK-UP!
