

Villas at Elk Run

*“Hope is the thing
with feathers*

*That perches in the
soul*

*And sings the tune
without the words*

*And never stops at
all.”*

-Emily Dickinson.

Hang in there!

As your elected HOA board members, we want to let you know how much we are thinking of you and care about our community. We hope everyone is safe and practicing recommended CDC guidelines. Please use common sense when it comes to using common area elements such as picnic tables and playground equipment, follow the CDC social distancing recommendations, and visit the established community sites for information. Reach out to your neighbors or the board if you need help.

In light of recent events, the board is teleconferencing on a regular basis to keep the financials of the Villas in mind during these uncertain times. We will continually assess the feasibility of future projects, and plan to postpone some capital projects that can be held off and completed next year.

For vital information or to sign up for alerts from the county please visit the following website:
